## Ecuador Progress

On Friday evening 11/30, Eden Recor will present a slide show about his recent trip to Malingua Pampa, a small Andes community in Ecuador, where he, representing Grand County Rotary clubs, Pam Gilbert, a Granby resident and initiator of the project, and the Denver chapter of Engineers Without borders are working to develop schools, health, and water related infrastructure in this poor but very involved and busy community.

This will be a very informative evening. Find out what it takes to help out as a volunteer; either here or in Ecuador. The presentation will take place at Beavers Village Lodge in Winter Park at 7:00 pm. Cost is \$10 per person. A buffet style dinner is also available at Beavers beginning at 5:30.

## A Rotary Club United Nations Sponsorship

The WP/Fraser Rotary club is proud to sponsor law school graduate Kip Hale of Granby to work with the United Nations Assistance to the Khmer Rouge Trials (UNAKRT) in Cambodia.

UNAKRT works alongside the Cambodian judicial systems to prosecute people responsible for crimes committed during the period of the Kampuchea/ Khmer Rouge from 1975 to 1979. These crimes occurred during the Communist reign of Pol Pot where 1.7 million people were executed in pursuit of Pol Pot's plan to block the borders, shut out the world, separate families, imprison dissenters, and create an agrarian society

Kip's past internship in The Hague, solidified his passion and interest in the field of international law and his desire to pursue a career working in international tribunals. However, it's a very tough field to get into professionally! The general road to full time employment begins with unpaid internships.

This space funded by the surrounding local Rotary Club members. Please help them help our community

## Literacy Programs

### Winter Park/Fraser Valley Rotary Club Supports Literacy

Rotary clubs around the world implement community service projects and activities that improve life in the local community. One example of a literacy-building project is sponsored by the local Winter Park/Fraser Valley chapter.

The Rotary Club began a book sponsorship project earlier this year which honors the speakers who appear at their weekly meetings while benefitting readers who use the local library. The club built a collection of books, many of which are award-winners. Books donated bear book plates with the speaker's name and the Rotary emblem. Titles available at the library thanks to the project include a wide variety of works, from poetry to fiction to history, with such titles as *The Worst Hard Time: The Untold Story of Those Who Survived the Great American Dust Bowl* by Timothy Egan. So far a total of 43 books have been added to the library's collection.

The Rotary Club would like to remind community-minded folks of an easy way to support libraries in Grand County that is as simple as a mouse click.

Holiday shopping season has arrived, and when you order gifts or other items from Amazon.com, 4% of your purchases are donated to the library simply by going to amazon through the library's website ([www.gclد.org](http://www.gclد.org)). There is no cost to you. Amazon makes this donation if you link their from the library's site. So bookmark [www.gclد.org](http://www.gclد.org) and look for the Amazon logo on the homepage.

## Theatre Night

All Grand County Rotarians, their families, and friends are invited to Theatre Night at the Grand Theatre in Winter Park on December 13th. The Grand Theatre Company will be presenting *The Santaland Diaries*.

***We've all questioned the values of department store Santas, but what about the lives of the helper elves.....***
