Ecuador Project

Last week's presentation from Pam Gilbert was a great update on our mutual project in Ecuador. Remember if you're interested in traveling to Ecuador to see this project in action, Eden Recor is leading a group there from October 16 through the 26th. Total cost for transportation etc. will be around \$2,000. For more information on the Ecuador project, see Pam Gilbert's website at www.escuelaminga.org

Mountain Family Center

Sue Perkins, our speaker last week representing the Mountain Family Center's Food Drive efforts reminds us that it is Hunger Action Month. More than 700 individuals have received food just from the Hot Sulphur location in the first 6 months of this year! She indicated that there is a huge shortfall in food available for distribution through the county's six food pantries.

Golf Tournament for Polio

Our first ever Rotary Golf Tourney was a great success raising more than \$2400 towards our club's goal of \$3000 for the polio eradication effort and matching grant from the Gates Foundation. Nicely done Mark Lund!!

9Health Fair

The Rotary Club of Granby was please to learn that Dorri Penny and Ray Jennings will co-chair the club's 9Health Fair Committee. The 9Health Fair takes place every April and offers free or low-cost health screenings to members of the community. This is a valuable public service offered by the club.

Up until this year Carl Marsh has been the efficient and effective chairman of this committee. But Carl is moving to Hawaii and he won't be here to manage the event this year. Good luck to Carl and good luck to Dorri and Ray.

Anyone who might want to volunteer to help with the 9Health Fair can do so soon. Let Dorri or Ray know.

Governor's State of the State Luncheon

To all Colorado Rotarians, guests, and potential members; Colorado Rotary's Annual State of the State Address by Governor Bill Ritter will take place on October 23rd starting at 11:15 am at the Denver Merchandise Mart (451 E 58th St in Denver). Governor Ritter will speak from 12:30 to 1 pm followed by a 30 minute question period. Register at: www.blacktie-colorado.com/rsvp using event code "RotaryState." Cost is \$35.

Proceeds will go towards Rotary's efforts to meet the Bill and Melinda Gates Foundation's \$100 million challenge grant towards Rotary's goal of eradicating polio on our planet.

About Rotary Vocational Service

In promoting the Object of Rotary, it is the responsibility of each Club to foster "high ethical standards in business and professions, the recognition of the worthiness of all useful occupations, and the dignifying of each Rotarian's occupation as an opportunity to serve society."

As Rotary offers its members the opportunity to serve, Vocational Service provides an opportunity for each Rotarian to share their professional expertise as an avenue of service to their community and to fellow Rotarians. Vocational service includes sharing insights on industry trends and current issues, as well as recognizing local businessmen and women for their professional leadership and personification of the 4 Way Test.

Club projects may include workshops with Rotaract or Interact, community schools, Scouts and job training programs in support of career development, job shadowing and internships.

Service Above Self

The Rotary motto, "Service Above Self" was originally coined as Service, Not Self by a Minneapolis, MN Club President named Frank Sullivan. It eventually morphed into "Service Above Self" and was adopted as the Rotary's motto at the 1950 Rotary International convention in Detroit.

What Makes Rotary Unique?

THE 4 WAY TEST OF THE THINGS WE THINK, SAY, & DO

1. Is it the Truth?
2. Is it fair to all concerned?
3. Will it build goodwill and better friendships?
4. Will it be beneficial to all concerned?

Remember, camping is nature's way of promoting the hotel business.
